Register to Join the Trustees for their Annual Public Meeting via Webinar on July 16

The Trustee Council will hold the fifth annual public meeting via webinar this year due to current nationwide health concerns. The meeting date is July 16, 2020. The webinar is open to everyone and we encourage your attendance and participation.

During this meeting, we will present updates on the progress made by the Trustee Council and in each of the seven Restoration Areas. This meeting will also serve as the annual public meeting for the Regionwide Trustee Implementation Group. We’ll also provide an opportunity for public comments after the updates are presented.

- Date: July 16, 2020
- Time: 6:00 – 7:30 p.m. CDT
- Registration link is on the Gulf Spill website.

When you register, you'll see additional questions on the registration page to give you the opportunity to sign up to provide a comment. If you sign up, you will receive a follow up email with additional instructions. If you are not sure if you would like to make a public comment, you will have the opportunity to do so during the webinar.

After the webinar, we will send a follow-up email with the presentation and other materials when they're available. Last year’s annual public meeting information was made available shortly after the June 2019 meeting.
